

Project Description:

JACOB | MARTIN, LLC. is requesting proposals from qualified archeologists to perform an archeological survey in and around the described project as attached for the proposed water system improvements that will be impacted by the proposed project. A map of the areas to be evaluated is included with this RFP.

ARCHEOLOGICAL SERVICES

The tasks to be performed will include:

An archeological survey of proposed project area to Texas Historical Commission standards.

Proposal shall include proposed timeline for mobilization, field work and cost per each task required. Proposal shall also include at least four most recent references for archeological surveys. This contract is subject to the EPA Disadvantaged Business Enterprise (DBE) program, which includes EPA-approved fair share goals toward procurement of minority and women-owned business enterprise (M/WBE) businesses. EPA rules require that applicants and prime-contractors make a good faith effort to award a fair share of contracts, subcontracts and procurements to M/WBE through demonstration of the six affirmative steps. For more details of the DBE program and the current applicable fair share goals, please visit www.twdb.gov/dbe .
